“The Social Entrepreneurship Ecosystem, Examples and Good Practices”

Tuesday 3rd December 2019

‘Hilton Nicosia’ Hotel (prev. ‘Hilton Park’), Nicosia (09.00-15.30)

(Agenda will be announced soon)

Highlights: The Cyprus Chamber of Commerce & Industry and the Directorate General European Programmes, Coordination & Development of the Republic of Cyprus are co-organising this conference within the framework of the “**European Social Economy Regions**” initiative of the European Commission and the Interreg Balkan Med funded project **INNOVENTER**, in order to provide an overview of the Social Entrepreneurship Ecosystem at the European level as well as at the national level, while it will also present some good practices and examples of social enterprises in Cyprus, Albania, Bulgaria and Greece.

The European Social Economy Regions (ESER) is an initiative of the European Commission that aims to help create effective partnerships and networks among regional and local social economy stakeholders in promoting the added value and benefits of the social economy. It also gives stakeholders a unique opportunity to have their voice heard at European level.

The INNOVENTER project developed a vocational training curriculum consisting of 15 modules, specifically designed for Social Entrepreneurs upgrading their competences and skills, in an attempt to enable SMEs become innovative as well as employ people from disadvantaged groups of the society. For more information please visit <https://innoventer-cyprus.eu/>.

Target audience: Social entrepreneurs; business owners/managers; decision and policy makers; local authorities; non-profit organisations; NGOs; vocational trainers; students.

Language: Greek and English (with simultaneous translation)
