BUSINESS DEVELOPMENT STRENGTHENING: CYPRUS - UKRAINE

A multi Business Delegation from Ukraine led by the Donetsk Chamber of Commerce and Industry successfully completed their business/educational visit to Cyprus between the period of 12 - 16 June 2016.

The Roadshow was organized within the framework of **East Invest Project** and of actions between the Chambers of Commerce and Industry of Donetsk and Cyprus, with the support of the Association of European Chambers (**EUROCHAMBERS**).

The companies that followed the mission were originated from the agricultural and livestock sector as well as from the tourism and construction sectors.

The program of the mission included educational visits to foodstuff manufacturers, Tourism Project Hotels, the Limassol Marina as well as in other areas of Commercial and Investment interest for them.

Also, the members of the mission met with members of the Local Chambers of Nicosia, Larnaca, Limassol and Paphos and a cooperation agreement, it was signed between the Larnaca and the Donetsk Chambers.

The meetings were held in a very friendly and professional atmosphere, preparing the stage for further business networking communication among the contacts, which is believed that it will help the effort to further increase trade between the two countries and further enhance and strengthen the friendly relations that already exist between Cyprus and Ukraine.
