## **INVESTMENTS FROM CHINA!** **The Real Thing!**

We are glad and proud to inform you that after considerable effort and assistance from the China Desk which is based in Paphos and is part of the Cyprus-China Business Association, we expect in April/May 2019 a targeted delegation (8-10 companies) from the venerable China Investment Association, accompanied by Chinese Government officials. The areas of interest for actual investment are:

Renewable Energy, such as: Solar energy, Wind power, Garbage disposal,  
Waste treatment etc.

Education, such as: Primary & Secondary education and Higher education

Health & Wellness in general, including nursing homes

We seek to elicit preliminary interest from Cyprus enterprises in any of the above fields. Once you show interest, you will ask to pay a fee in order to arrange business to business meetings (around a thousand euros) with the Chinese Investment companies. The number of Cyprus companies that should meet their Chinese counterparts would not exceed the 15.

**Priority should be given to the members of the Cyprus-China Business Association.**

**If you are interested, kindly fill in the enclosed form and send it to stavri@ccci.org.cy or fax it at: 22668630.**
